

Guidelines for athletic field use:

1. Players, coaches, spectators or staff who have any Covid-19 like symptoms (fever, cough, shortness of breath, diarrhea) are prohibited from participating or attending activities.
2. Use of all fields and parks is at your own risk. Coaches, managers, and participants are responsible for following guidelines and assume all risk for themselves, teams, and players. The City is not monitoring compliance.
3. Those at risk for severe illness or with serious underlying medical conditions should avoid attending activities.
4. The City of McMinnville is not reserving/renting athletic fields through at least July 31.
5. All attendees will wear a mask, face shield, or face covering when not actively participating in the activity unless an accommodation for people with disabilities or exemption applies.
6. Coaches/team managers will communicate all policies and facility information to team members.
7. Water fountains are closed. Participants need to provide their own labelled, prefilled water bottles. No sharing of water bottles, coolers, or snacks/food.
8. Players are encouraged to use only their own equipment. Avoid or minimize equipment sharing, when feasible. When it is necessary to share critical or limited equipment, coaches must ensure all surfaces of each piece of shared equipment is cleaned and disinfected frequently, as appropriate for the sport. Coaches must use disinfectants that are included on the EPA approved list for the SARS-CoV-2 virus that causes COVID-19.
9. Coaches must clean all equipment that directly contacts the head, face, and hands with extra attention and detail.
10. Coaches must encourage players or their family members to clean and disinfect personal equipment after each use, where feasible.
11. Players and coaches should bring their own hand sanitizer that contains 60-95% alcohol content and use it frequently.
12. Coaches must ensure all player equipment is spaced out to prevent players coming in to direct contact with one another.
13. Spectators are encouraged to keep physical distance of at least 6 feet from individuals not residing within their household.
14. Coaches must ensure activities support physical distancing, striving to maintain at least 6 feet between individuals.
15. No spitting, no seeds.
16. Guidelines and regulations may change at any time.

Wear a mask if possible ● Clean your hands frequently ● Follow CDC Guidelines
